**Seattle Short Stories Premier Event at
Seattle Art Museum (SAM)**

The Unity Museum felt honored and privileged to be invited to a special premier showing of Part 3 of 'Short Stories about Seattle.' It was held at the SAM theater.

We had an opportunity to interact with many Seattle dignitaries such as the Great Great Great Great Grandson of Chief Seattle to name one. We will be showing these short stories at our Documentary

Room in the near future.

Celebrating our Monthly Holy- and National Holi- Days

The merry month of May is filled with many opportunities to appreciate and enjoy a variety of opportunities such as, Mother's Day and Memorial Day. In our Meditation Room we appreciate Pentecostal Celebrations and May 23 Declaration of the Bab for the Baha'i Faith amongst some of them.

Weekly Object: TV used for Historical Documentaries

Today we like to remember the late Kimberly Norman, who donated our amazing TV in the Documentary Lounge. We are using this regularly for either "movie night" or "historical documentaries." We hope to be able to share some of our eminent short stories used for the premier.
