**University District Chamber of Commerce
(UDCC) Meeting**

This week, the Unity Museum participated in the University District Chamber of Commerce (UDCC) meeting. We discussed meeting with local State Representative Maritza Rivera, who has visited the museum and will be attending next month's UDCC meeting. She has supported our neighborhood's homelessness outreach and Green Spaces initiatives, such as the park Movie Nights and closing the streets.

The UDistrict is getting ready to host the International World FIFA Cup, and we are having our promotional advertising outside lightrail for all the many visitors. Because of [the UDistrict's ongoing movie nights](#), we have the equipment ready to go and will be showing The Game, live.

Finally, at the meeting we remembered Paul Dorpat. A local historian who lived in the neighboring neighborhood 'Wallingford.' His numerous books about Seattle capture how unique and enjoyable our local history is, and he was instrumental in naming the UDistrict's 'Memorial Ave' in honor of the Veterans.

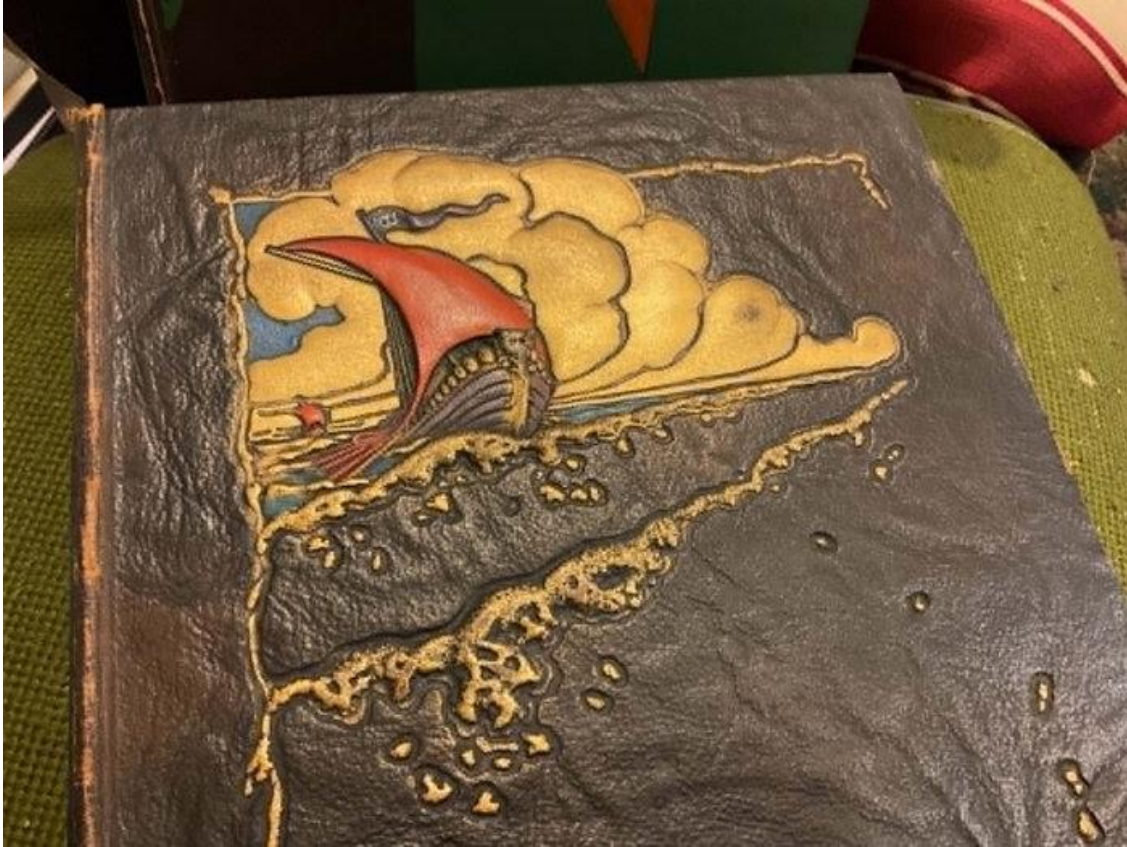

The Unity Museum is happy to be part of the 250th Anniversary of the Declaration of Independence

Being part of history to celebrate this historic moment in time, we are celebrating the 250th anniversary. The exhibits are within the museum plus outside the museum on the pavement to be appreciated by thousands of passerbys.
