**The Unity Museum celebrates the 250th
Anniversary of the Signing of The
Declaration of Independence.**

250 years ago our founding fathers, many in their 30's, gathered to draft and collectively build the foundation for our democracy that still stands today!

Come and visit our special exhibit running all month long.

The Unity Museum is a Family Affair

It always gives us much joy and happiness when we see a mother bringing their children and friends hundreds of miles away to visit our Unity Museum. Ultimately we even spent 2 hours afterwards talking about the purpose of life. By the time it was time to close the museum everybody felt we made new friends for years to come.

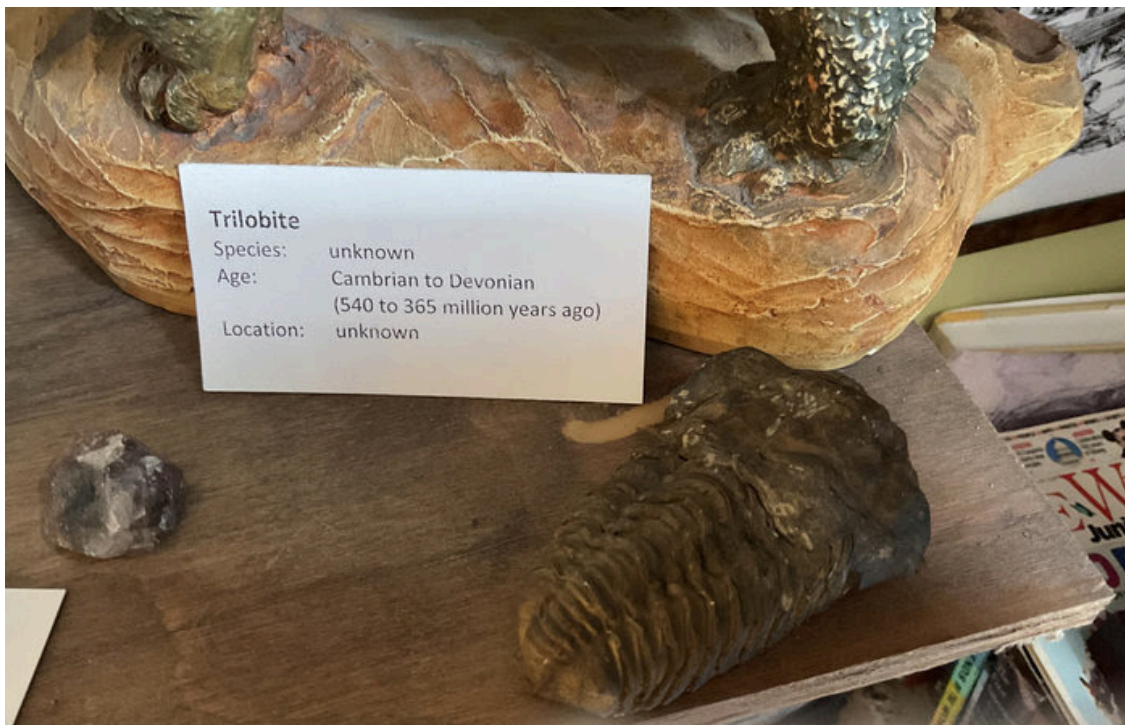

And look, finally playing Pachinko.

Weekly Object: Lystrosaurus

We feel honored to exhibit our oldest object, a trilobite fossil, 540 to 365 million years old, donated by the daughter of Dr. Edwin Colbert.
